

Instructions

Resource Activity Why Work Inspiration and what's in it for my school?

Resource Includes Instructions and Factsheet

Learning Outcome To assist school staff to understand Work Inspiration, what the benefits are for them and to motivate and encourage school involvement

Outline Resource covers:

- About Work Inspiration, how it operates, how the program benefits the school and students
- Work Inspiration, Career Plans and Curriculum
- How to prepare students for their Work Inspiration program
- Beyond Work Inspiration - What next for students after Work Inspiration?

User The Factsheet "Why Work Inspiration and what's in it for my school?" has been designed to inform school staff. The Host Employer/Industry (or broker) can provide it to the school on initial contact.

Timing Pre Work Inspiration, in the initial contact stage.

Procedure The Factsheet "Why Work Inspiration and what's in it for my school?" has been designed as an employer tool to explain Work Inspiration to schools and encourage their involvement. The Factsheet can also be used by the school to circulate to teachers and administration staff for their information.
